

## You're Invited!

Please join us NEXT MONDAY (February 12th) for the February Parent Connect.

We are going to build on our discussion from last month around how to keep our kids safe online in today's digital environment.

Working with our partners from the Blackbelt regional child advocacy center, we want to learn and discuss the legal side of kids, phones, social media, and online relationships. What's at stake? What's the law? Is my child at risk? Am I, the parent, liable for potential violations? These are just some of the questions we hope to answer in this quick sixty-minute gathering.

Please join us on February 12, at UCS Lyon from 630-730PM.
