SECONDARY PROGRAMS NIGHT UCS SMITH MAY 2ND, 5:15 - 7:00PM

Save the date for our annual Secondary Programs Night for current Grade 6-11th grade students. This will take place on Thursday, May 2 on the UCS Smith Campus. Doors open at 5:15 with programming from 5:30-7:00.

IMPORTANT: We will also be conducting course registration for the 24-25 school year at this event. Upon arrival, students will pick up their draft tentative schedule for the 24-25 school year, and as they listen to the speakers and visit with school staff, this will allow them to rank their course preferences and submit a complete schedule for review at the conclusion of the event. **Because of this effort, it is critical that all families are present.**

This event is a great opportunity to have important discussions before the conclusion of the school year and we hope you can make every effort to be in attendance. More information including a detailed agenda, schedule, and RSVP link will be sent closer to the event.

a dynamic and exciting live competition that rallies leaders and role models in a school's community together to teach students in grades 4-8 about professional skills for success

Help **Child Find** Locate Children with Disabilities

What Is **Child Find**?

Child Find is a statewide effort by the Alabama State Department of Education and the Department of Rehabilitation Services to locate, identify, and evaluate children with disabilities from birth to age 21.

How Does **Child Find** Work?

Early Intervention and Special Education Services work closely with community service agencies, parents, and local school systems to locate children with disabilities. A toll-free number is provided for parents or other persons interested in information about referring a child from birth to age 21.

Why Is **Child Find** Important?

It helps the child, the family, and the provider to plan appropriate services and link families to services for students meeting eligibility requirements in the following disability areas:

- | | |
|---------------------------|----------------------------------|
| ■ Hearing Impairment | ■ Speech and Language Impairment |
| ■ Deaf-Blindness | ■ Visual Impairment |
| ■ Intellectual Disability | ■ Specific Learning Disabilities |
| ■ Multiple Disabilities | ■ Autism |
| ■ Orthopedic Impairment | ■ Traumatic Brain Injury |
| ■ Other Health Impairment | ■ Developmental Delay |
| ■ Emotional Disability | |

For more information about **Child Find**,
