1015: In School Suspension

In-school suspension is a consequence of Level 1 and Level 2 violations in the tiered system and is to be served by the student as assigned by the principal or assistant principal. In-school suspension is assigned during regular school hours and supervised by a UCS faculty member. **Students** are able to complete classroom assignments while serving In-School Suspension. Assignments completed during in-school suspension would be treated just as any assignment completed in the students regularly scheduled classroom.
1015: Out of School Suspension

Out-of-school suspensions of 2-10 days are to be used when appropriate as designated by the Principal using the tiered system. At the discretion of the Principal, a suspension can be longer as needed. A suspension shall not exceed 10 school days per semester for non-special education students and 10 days per year for special education students. During suspensions students are permitted to take home work, get missed assignments, and take tests or quizzes during the students’ time away from school. In an effort to afford every student a free and appropriate education, students whose actions merit Out-of-school suspensions shall be permitted to complete make-up work that was assigned in their regularly scheduled class time. There shall be a systematic approach to assigning, and grading make-up work, designated by the student’s grade level.

ELEMENTARY (GRADES K-5)

Students in grades K-5 will have 2 days from the last day of the suspension to turn in assignments to their teachers. Assignments that are not completed and turned in within the prescribed 48 hour time frame shall be subject to a reduced grade, at the discretion of the teacher. The parent/guardian shall be responsible for arranging necessary make-up work. Major examinations will be allowed to be made up, without penalty or reduction in credit.
MIDDLE SCHOOL (GRADES 6-8)

Students in grades 6-8 will have 2 days from the last day of the suspension to turn in assignments to their teachers for a maximum competency based grade of 2.5. The student shall be responsible for contacting the teacher(s) to arrange to make up work. Major examinations will be allowed to be made up, without penalty or reduction in credit.

SECONDARY (GRADES 9-12)

FIRST INFRACTION IN A YEAR RESULTING IN A SUSPENSION. Students in grades 9-12 who have been suspended from school will have 2 days from the last day of the suspension to turn in assignments to their teachers for a maximum competency based grade of 2.5. Major examinations will be allowed to be made up, without penalty or reduction in credit.

SECOND OR SUBSEQUENT INFRACTIONS IN A YEAR RESULTING IN A SUSPENSION.
